W&Co has recently launched its standalone digital signage website, Ad-Digital, to incorporate the full details of the various LED digital screens offered.

The LED Digital Screens are super slim starting from only 34mm deep and come with stylish 'tablet effect' rounded corners and are available from stock in sizes 19" to 55". Indoor and outdoor freestanding screens and video walls are also available.

- Super Slim
- Wide range of sizes
- Contemporary styling
- Commercial grade
- Built in media player
- Tamper resistant
- Vivid colours
- Network options

The screenshot shows the Ad-Digital website interface. At the top, there's a navigation menu with links for Home, Products, Networking, Industries, Downloads, and Contact Us. Below the menu, there are several featured product sections: 'Freestanding Digital Screens', 'LED Digital Screens', 'LED Freestanding Screens', 'Video Walls', and 'Outdoor Digital Screens'. Each section includes a small image and a brief description of the product. A sidebar on the left contains a 'Digital Signage Displays for Digital Advertising' section with detailed text about the products' features and usage. At the bottom right of the screenshot, it says 'Ad-Digital 2013'.
